JOLYON PETCH

2021 has certainly had its ups and downs, but it hasn't stopped the rising star of dance music's Jolyon Petch.

The Kiwi-born, Melbourne-based producer / DJ has completely dominated the Australian charts. Petch's remake of **Fleetwood Mac's** iconic classic 'Dreams' has taken on a life of its own. Without taking a breath it has been added across the board to every major commercial radio station in Australia, making it the #1 most played song on radio for six weeks in a row - beating the likes of global superstars **Ed Sheeran**, **Justin Bieber** and **Billie Eilish** to the top spot. Having spent seven weeks at #1 on the **ARIA Club Chart** earlier this year, 'Dreams' has now crossed over into the top 20 of the **ARIA Singles** chart and top 15 of the **Spotify** chart in Australia. Now upwards of 7 million streams on **Spotify**, **ARIA Certified Gold Sales equivalent status** and a month at #1 on **Australia's Shazam Top 200** chart, 'Dreams' continues to claim accolades including the front cover of Hot Hits Australia, Australia's biggest Spotify playlist, the #1 spot on the **New Zealand Shazam** chart while gaining traction in the UK, moving up to #3 on the **Music Week Upfront Club Chart**.

Overall, Petch has spent a mammoth 13 weeks at the #1 spot on the **ARIA Club Chart** this year, with his singles 'Holding On' (three weeks at #1) and his current smash hit 'Dreams' (seven weeks at #1), plus an additional three weeks at #1 under his alias **Elektrik Disko** with 'Tell Me Why'. Petch is the first and only New Zealand dance music producer to have produced over nine #1 singles on the **ARIA Club Chart** and also lays claim to three top 5 positions on the **UK Upfront Club Chart**, including his 2021 remix of '**Salsoul Nugget**' which took out the #1 spot.

Petch's 2017 single 'Otherside' has garnered over 5 million streams and was #1 on the **Beatport Dance Chart** for over seven weeks, while staying in the top 100 for over six months. In 2019, Petch achieved a world first by officially getting publishing clearance from the **Michael Jackson** estate for his cover version of **Michael Jackson's** most iconic single, 'Thriller', which was released via **Perfect Havoc** in the UK. The single went to #8 on the **ARIA Club Chart** and #5 on the **Beatport Dance Chart**.

Over Petch's career he has collaborated with the likes of **Kid Crème** and has been tapped for official remixes for dance music luminaries including **Robin Schulz**, **NERVO** and **Junior Jack**. With releases on labels across the world like **Positiva**, **Virgin**, **EMI UK**, **Kontor**, **Sony**, **Big Beat**, **Armada** and **Strictly Rhythm**, Petch's music has seen support from some of the biggest DJs in the world including **Tiesto**, **Pete Tong**, **Danny Howard**, **Hardwell**, **Don Diablo**, **Diplo**, **MistaJam**, **Chuckie**, **John Gibbons**, **Oliver Heldens**, **Bob Sinclar**, **Afrojack**, **Gorgon City** and more.
