Dead As Disco

Dead As Disco stands for sophisticated Nu Disco & Deep House Style with elements from the 70s & 80s in their remixes and in their live sets with a touch of groovy vocal Tech House. Unique for Dead As Disco are their selfmade remixes of Disco Classics from the 70s. Several releases on Beatport by Global Ritmico Records in 2015 gave them a residence at Tantra Ibiza Beach Club and a weekly summer radio show at White FM Ibiza and Podcasts on FM4 Radio Vienna and Ibiza Global Radio.

The first release as Dead As Disko in December 2019, signed on famous UK house label 'Whore House Records', was "Good Feeling" and reached To 10 of the Beatport House Charts.

2021 was the biggest year for Dead As Disko so far. Together with the famous French producer, Richard Grey, Dead As Disko released 4 tracks in 4 months alone, using vocalists 'Emma Landford' and 'Robin S' for a remix of "Show Me Love". "Show Me Love" made it until position 2 in the Beatport To 100 charts. Their remix of 'KC T& The Sunshine Band's song "Get Down Tonight" reached already in the first week number 3 in the Beatport Top 10 House Album charts.

The release success pushed their numbers on Spotify within no time to 124K streams and 50.1K followers.
