MILK & SUGAR

Working together for more than a decade, **Milk & Sugar** are looking back on a successful career as DJ's, producers and label owners. They need no introduction as many of their productions became milestones of house music history, such as their epic track "**Higher & Higher**", and their all-time Ibiza classic "**Let The Sun Shine**".

Their releases have been played and supported ever since by names like David Morales, Dennis Ferrer or the "Godfather of House Music", Frankie Knuckles, but as well by all different kind of house music loving DJ's all around the globe.

Milk & Sugar's 2014 single "Canto Del Pilon" hit both the clubs and charts heavily last summer, and rocketed into the iTunes top 10 in several countries around Europe! But also their 2015 imprints "Bass (How Low Can You Go)" with Simon Harris & Chuck D from Public Enemy and "Ready Or Not" received global support from DJ's of all genres.

Following their passion for music and always trying to be ahead of any trend, Milk & Sugar have yet another card up their sleeves: They teamed up with another house music legend, vocalist Barbara Tucker, who became famous for her extremely intense shows and her phenomenal stage presence. Their second cooperation entitled "My Loving" will be available in stores early February 2016.

As DJ's, producers and label owners, **Milk & Sugar** have won several other accolades such as the German and Italian DJ Award and received several golden records. Their tour calendar is always jam-packed with gigs on every continent. With their unique house sound, they have heated up the dance floors of the best clubs and festivals around the world such as Pacha, Space and Amnesia in Ibiza or Green Valley and Anzu in Brazil.
