## MILK & SUGAR

MILK & SUGAR led the charge of vocal house from Germany two decades ago and became deeply influential on the house music scene ever since. Milk & Sugar celebrated more than 20 years of creating some of the World's most innovative house music tracks, a catalog that includes popular global hits.

MILK & SUGAR has a knack for delivering what many consider to be perfect club mixes — songs bursting with the power to tear the roof off any venue. One of the biggest hits, "Let The Sun Shine", has been a career milestone, vaulting in 2003 straight from the Ibiza clubs to number one on the Billboard dance chart and the Top 20 of the UK pop charts. The track became a house music milestone and an anthem for MILK & SUGAR — a signature song — and crowds of dancers and clubbers around the world still demand it. Among many other popular and successful productions, "Higher & Higher" was the break-through single, a 2000 international smash that helped forge their reputation as house music master.

The releases have been played and supported ever since by names like David Morales, Tony Humphries (also known as the "Godfather of House Music"), Frankie Knuckles, Dennis Ferrer and by countless house music-loving DJs all around the globe.

As DJ, producer and label owner, **MILK & SUGAR** has won several accolades, such as the German and Italian DJ Award, and numerous golden records. The tour calendar is often jam-packed with gigs on every continent. With a unique house sound, Milk & Sugar has heated up dance floors of the best clubs and festivals around the world, including Pacha, Space and Amnesia in Ibiza or Green Valley in Brazil and Ellui in Seoul South Korea.

Over the past several years, **MILK & SUGAR** has continued to supply dance floors with a steady stream of powerful hits, serving both as sought after remixer and as a creator of uniquely original productions. This includes "Hey (Nah Neh Nah)" - Milk & Sugar & Vaya Con Dios, "Stay Around", "Canto Del Pilon", and "My Lovin" - Milk & Sugar with Barbara Tucker. Milk & Sugar also runs the music label **Milk & Sugar Recordings**, which was already honored with a German Dance Award as

best independent label. The hot-selling Club Cuts, House Nation and Miami Sessions, Summer Sessions and Beach Sessions compilation series have proven to be hugely popular.

In the tremendously competitive, fast-moving and ever-changing world of contemporary dance music, **MILK & SUGAR** celebrate 23 years at the top. That's no small accomplishment in this industry. The unique brand of energetic and irresistible music not only has a proud and distinguished history — it has a highly anticipated future.
