## Hanna Hais

Hanna Haïs is a House music legend who reinvented herself into the Queen of Afrotech. Coming from a family of artists and singers Hanna Haïs was raised on a diet of American Soul classics. With three albums and over 70 singles and remixes, she started her career with a remix from US House legend Larry Heard.

Since that first release she has had releases on some of the most prestigious labels: Defected, Distance, MoBlack and her Works have been supported by the likes of Laurent Garnier, Black Coffee, Louie Vega, Âme, Loco Dice, Chez Damier, Kerri Chandler, Roger Sanchez, Joseph Capriati, Themba...

Since 2007 Hanna Haïs has been DJing professionally, touring the entire world, delivering her own style of House music strongly influenced by the new sounds coming from South Africa. Hanna Haïs is always ready to push new boundaries.
